Hint: Did you know pre-draft picks are selected for you **as soon as it's your turn to pick** in the draft? For more details, please see

Save These Picks And Continue

Not sure what to do? Follow the steps below:

1. From the "Player To Add:" list, select the player you would like to draft.
2. Click on the "Add to List>" button.
3. Repeat steps 1 and 2 above for any pick you'd like to attempt in this round. Keep in mind, the more picks you specify, the better your chances of getting a player.
4. Once you're done, you may change the priority order for your picks using the "Move Pick Up" and "Move Pick Down" buttons by clicking on the "<Remove From List" button.
5. Now that your picks are prioritized, click on the "Save These Picks and Continue" button to get confirmation of your picks.
6. If you'd like to make additional picks for this round or other rounds, you will be given the opportunity to make those picks.

Or, you may go immediately to:
