Trades Setup

When an owner accepts a trade:	☒ The trade is immediately processed. ☐ The trade is sent to the commissioner for approval. ☐ The trade is subject to a league-wide poll vote.	
Trade polls are open for:	days.	
Trade poll options:	☐ Poll results are hidden until poll closes. ☐ Poll is public, revealing who voted which way. ☐ Poll answer is required: owners vote before submitting lineups.	
Automatically reject trade after this many "Reject" votes are cast:	Don't automatically reject ▼	
	Hint: If "Don't Automatically Reject" is selected, the commissioner will manually process the trade via the For Commissioner > Review Trades option. A trade will be accepted when enough "Accept" votes are cast to make a trade rejection not possible. Missing votes when the poll closes are considered to be "Accept" votes.	
Allow trading draft picks for up to this many years in the future:	2 ▼	
	Hint: Changing this setting to "Not Allowed" will automatically delete all records of future draft pick trades that have previously been made. Be sure that is what you want to do before proceeding.	
May trade future draft picks up to round:	8
